BUSINESS TO BUSINESS DISCOUNT PROGRAM

HB Fuels is pleased to announce a new discount program for local business owners. In response to many requests from local businesses, HB Fuels (your local fuel company) has developed a “Business to Business” fuel discount program.

HB Fuels will provide an agreed upon amount of gallons for Business Owner.

HB Fuels will deliver fuel oil to the Business Owner at the current retail price. When payment is received, the Business Owner will receive a discount based on both their gallon usage and timeliness of payment.

Business Owners can use the same discounted program for fuel oil delivered to their home. We will also extend this offer to your employees.
